Devin's

STREET GUIDE

FIRST EDITION

R1

Compiled and Published by
TERENCE DEVINE,
Newark, N. J.,
1886.

F144
No. 114

THE Publisher, in presenting this Guide to the public, admits that there are some inaccuracies which it is almost impossible to avoid, owing to the irregularity of laying out many of the streets and avenues and a still worse system of numbering.

This edition will shortly be followed by another, and all possible corrections made, and will be open for a few advertisements at \$1.50 per page.
